7:11-cv-6227 (VLB)

Dear Judge Davison:

I respectfully request a brief extension of time until July 31, 2015, to complete my Dispositive Motion. My schedule has had me working nearly every day since May 2 and has not allowed me adequate time to complete my Motion.

I have notified plaintiff's counsel, Michael Rudick that I was making this request. Thank you for your consideration in this matter.

Very truly yours,

Richard P. Greene
